Re: Request for Postponement of Sentence
United States v. Natalya Shvarts, 20 Cr. 681 (JPC)

Dear Judge Cronan:

I write to request that sentencing in the case of Natalya Shvarts, currently scheduled for April 10, 2023 at 3:00 p.m., be postponed until the week of April 24, 2023 (any date that week except Monday), or any date thereafter that is convenient to the Court.

The reason for this request is that Ms. Shvarts is attempting to obtain letters from her family in Russia, and she is experiencing connection difficulties with her relatives both via email/text and phone. Apparently, several telecommunication companies have left the country as a result of sanctions and this has affected repair and upkeep.¹ She has been awaiting both email and regular mail from Russia for several weeks. It is hoped that an additional two weeks will be sufficient to obtain the requested letters of support.

I have communicated with AUSA Nicholas Chiuchiolo about this request, and the government has no objection.

Sincerely,

Camille M. Abate
